Rental Vehicle Guide & FAQ

2020 Ford Transit-350 High Roof, Silver

Email: info@beverleyfleet.com | **Phone:** 720-437-9655 | **Roadside:** 855-866-3161

Vehicle	2020 Ford Transit-350 High Roof
Seats	12
Color	Silver
Fuel Type	Regular Unleaded
Check-In Method	Keypad Door Code
Clearance	No parking garages or drive-thrus. This van's height can cause it to scrape.

CHECK-IN INSTRUCTIONS

1. Head to **ParkDIA**. Our vehicles are based at the ParkDIA lot near Denver International Airport (25200 E 68th Ave, Aurora, CO 80019).

2. Take the free ParkDIA shuttle from the terminal. It runs 24/7 and takes about 10 minutes. Shuttles pick up on the EAST side of the terminal only: Level 5, Door 513, Island 3; look for the ParkDIA sign pictured below. Tell the driver you're picking up a rental vehicle.

The ParkDIA sign to look for at the shuttle stop

If you're unsure, ask the driver before getting on.

3. ParkDIA is a very large lot, so we'll text or email you the exact row number and color (plus a spot number if available) within 2 hours of your pickup, and the shuttle will take you right to it. We often have back-to-back reservations and share this info as early as we can, but **all vehicles will always be picked up in the ParkDIA lot** unless otherwise arranged.

4. **Unlock:** This vehicle uses a keypad door code on the driver's-side door instead of a lockbox. Code: **46535**. The key fob is in the glove box.

5. Please take a video of the vehicle at check-in. This documents the pre-trip condition. Get all areas of the vehicle and note any existing damage. You can share the video with us by email or text.

6. Ready to go? The RFID sticker on the windshield opens the exit gate automatically as you approach, so no further action is needed.

CHECK-OUT INSTRUCTIONS

1. Return to the **same ParkDIA lot** used for pickup.

2. Fill the tank with **Regular Unleaded** before you return the vehicle.

3. Enter the lot. The RFID sticker opens the gate automatically. Since the shuttles queue in the same row used for pickup, drop-off tends to go fast; a lot attendant can point you to a row if needed.

4. Please take a video of the vehicle at check-out, just like at check-in, and get all areas of the vehicle and note any existing damage. You can share the video with us by email or text.

5. Once you've parked, exit the vehicle, lock the doors with the keypad code, and leave the key fob in the glove box.

6. Text or email us which row you parked in so we can locate the vehicle. Safe travels!

CAN YOU DO TERMINAL DELIVERY OR ANOTHER LOCATION?

• Vehicles this size don't comfortably fit in the terminal parking garage, so we're never able to offer terminal delivery for van rentals. Pickup and drop-off will always be at ParkDIA.

• We also don't drop off in the economy lot, and wouldn't recommend it anyway, since it's a considerable walk from the terminal.

MILEAGE & FUEL

• Includes 200 free miles per day.

• Miles beyond that are billed at $0.70/mile (see your signed contract for the exact terms).

• Want more room to drive? Ask about our unlimited-mileage upgrade ($50/day), noted on your contract if you added it.

• Fuel: this vehicle takes **Regular Unleaded**. Please return it with a full tank of this fuel type.

• **Clearance:** No parking garages or drive-thrus. This van's height can cause it to scrape.

CAR SEATS

• Car seats are available for $40/seat.

• We can typically provide up to 2 forward-facing car seats (infant to 4+) and 2 booster seats (children 5+) per rental.

• Need more than that, or have a specific requirement? Let us know and we'll do our best to accommodate.

VEHICLE RULES AND POLICIES

• No smoking in any vehicle.

• Pets are welcome! If your furry friend is a heavy shedder, we just ask that you lay a blanket down over the seats.

INSURANCE & LIABILITY

• **If you added Renters Collision Protection (RCP)** to your contract: damage to the vehicle itself is covered up to $20,000, and you're responsible for a $250 deductible if something happens, as long as the contract's terms weren't violated.

• **If you didn't add RCP:** you're responsible for any damage to the vehicle, regardless of fault. It's worth checking whether your personal auto policy or credit card already covers rental vehicles before you decide.

• **A note on credit card coverage:** some cards include rental collision coverage as a perk, but the fine print varies a lot by card. Many exclude cargo vans, trucks, and extended rentals, and most require you to decline the rental company's own damage protection (RCP) to activate their coverage. If you're planning to rely on your card instead of RCP, we'd recommend calling your card issuer before pickup to confirm this specific vehicle is covered.

• **Supplemental Liability Insurance (SLI)**, if you purchased it, is separate. It covers you if you're at fault for injuring someone else or damaging their property while driving, above the state-required minimum. It's optional and isn't required to rent from us.

• **If something happens:** call 911/police first if anyone's hurt or property outside the vehicle is damaged, then your insurance company, then call us right away so we can help.

• SLI claims need to be filed within 30 days of the incident.

24/7 ROADSIDE ASSISTANCE

• If you break down or get locked out, call **1-855-866-3161**, available 24/7.

• Have ready: the vehicle's year/make/model and VIN (on the driver's-side door jamb or dashboard).

• Covers: towing to the nearest qualified provider (up to 100 free miles), battery jump-start, flat tire changes, emergency fuel/water delivery (you pay only for the materials delivered), winching (up to $100/incident), and lockout/locksmith service (up to $100/incident; cost of replacement keys is not covered).

ACKNOWLEDGMENT

By signing below, I acknowledge that I have read, understood, and agree to the vehicle rules and policies, mileage terms, insurance information, and roadside assistance details outlined in this guide.
